

Solar Provider Statement

This form must be completed by the Solar PV provider (retailer or installer / sole provider) and provided to the applicant (primary homeowner) to submit as part of the applicant's eligibility check for a Solar PV rebate. This form is a declaration that the Solar PV provider will install a quality solar PV system for the applicant that meets the eligibility requirements of the Solar PV rebate.

Home owners applying for a Solar Homes rebate are not required to provide home ownership or income details to their solar provider. If you are asked for this information, please report this activity to Consumer Affairs Victoria at www.consumer.vic.gov.au/contact-us or 1300 55 81 81.

Solar provider statement

Safety, compliance and the integrity of the Solar Homes program is of the highest priority for Solar Victoria. We will conduct regular auditing of compliance requirements and installations to ensure the integrity of the program and safety of installers and householders is achieved.

By providing this statement, you agree as the Solar Provider that the installation to be completed at the applicant's address stated on this form, will:

- » Be conducted by a Clean Energy Council (CEC) accredited installer.
Yes No
- » Be conducted by an installer that holds a current Class A Electrical License issued by Energy Safe Victoria, or an equivalent Australian interstate license with mutual recognition by Energy Safe Victoria form.
Yes No
- » Be conducted by an installer that has no prosecutions registered with Worksafe Victoria or an equivalent authority in Australia in the past 3 years.
Yes No
- » Be conducted by an installer that ensures safe work methods and fall prevention measures are in place as per the Occupation Health and Safety Regulations 2017 (S.R. No. 22/17) and otherwise ensures all other applicable occupational health and safety laws and requirements are complied with.
Yes No
- » Have only Clean Energy Council approved products installed.
Yes No
- » Be completed and have a date certified on the prescribed Certificate of Electrical Safety with Energy Safe Victoria dated on or before June 30, 2019.
Yes No

Do you agree as the Solar Provider to provide all the required installation documentation to the applicant post installation?

Yes No

This being:

- » Certificate of Electrical Safety
- » The PV Small-Scale Technology Certificate (STC) Assignment Form
- » Distributor's Solar Connection Form or Micro Embedded Generator Connection Form or similar*
- » Electrical Work Request Form
- » Receipt including total cost of system installation, any discounts and rebates applied (e.g. STCs), and the amount owed by the customer.

*Not required if off-grid installation

I declare as the Solar Provider that:

- » The information I have given is correct
- » Giving false or misleading information is an offence
- » I need to inform Solar Victoria of any changes to the information provided in this form as soon as the change occurs.
- » I have read and accept the Privacy Statement
- » I have read and understood the Terms and Conditions

Privacy statement

Sustainability Victoria collects, uses and discloses your personal information for the purpose of administering the Solar Homes Package including the Solar Panel Rebate and the Solar Hot Water Rebate and may be required to provide your personal information to other government agencies, in accordance with the *Privacy and Data Protection Act 2014 (Vic)* and our Privacy Statement. Sustainability Victoria's Privacy Statement is available from www.sustainability.vic.gov.au. Solar Victoria's Privacy Statement is available from www.solar.vic.gov.au. If you have any questions relating to the Privacy Statement or wish to seek access to the personal information which Sustainability Victoria and/or Solar Victoria holds about you, please contact us in writing addressed to: privacy@sustainability.vic.gov.au

Terms and Conditions

As the Solar Provider, you are responsible for ensuring that the information you provide is accurate and complete, as this will affect the applicant's (consumer's) eligibility. The purpose of the Solar Provider Statement is to assess the eligibility of the installation. A signed and dated Solar Provider Statement is required to be provided to the consumer to qualify for and claim a rebate. You must not use the Solar Provider Statement for any purpose that is unlawful.

Application and amendment of these terms and conditions

Rebate eligibility is governed by these terms and conditions. By completing this Solar Provider Statement, you agree to be bound by and abide by these terms and conditions. Sustainability Victoria and/or Solar Victoria reserves the right to amend these terms and conditions at any time.

Reliance on the Solar Provider Statement

Consumers will rely on this Solar Provider Statement to qualify for a rebate. Sustainability Victoria/and or Solar Victoria reserve the right to contact other government agencies to verify the information contained in the Solar Provider Statement. See the Privacy Statement for further information.

Exclusions and limitations of liability

The State will have no liability to you for any economic loss, loss of contract, loss of profit or revenue, loss of opportunity, loss of production, production stoppage, loss of data or other loss, harm, damage, cost or expense (including legal fees) in the nature of special, indirect or consequential loss or damage that arises directly or indirectly in connection this Solar Provider Statement, and whether arising under any indemnity, statute, in tort (for negligence or otherwise), or on any other basis in law or equity.

Privacy

Personal information is governed by the Privacy Statement.
